SIR

Applicant would like to thank the examiner for the careful consideration given the present application. Applicant sent the amendments and remarks on Oct. 21, 2003 in response to the Office Action dated April 16, 2003, while EXAMINER kindly taught us that it was considered non-compliant because it failed to meet the requirements of 37 CFR 1.121, as amended on June 30, 2003.

So we send the amendments of claims and specification, and remarks to meet the requirements.

Thank you very much.
